Cyber security in diplomacy:
the Dutch governments' cyber strategy

Abstract: Abstract: The Netherlands has developed an active cyber strategy both at home and abroad. The deputy ambassador of the Kingdom of the Netherlands will inform you about the Dutch approach to cyber security nationally and will also present the international strategy the Dutch and other EU governments are undertaking in different fora.
Also several ethical questions that are linked to cybersecurity will be discussed.

Dewi van de Weerd
Deputy Ambassador of the Netherlands to Italy

Affiliation: Embassy of the Kingdom of the Netherlands to Italy
